

Frequently Asked Questions

The following is a list of frequently asked questions. If you have additional questions, please contact [Christine Gray](#), eScrip coordinator.

Q: What is eScrip?

A: eScrip rewards customer loyalty by donating a percentage of purchases made by participating families. Parents, teachers, friends and families are encouraged to register their grocery club cards, and credit/debit cards as supporters. A percentage of all purchases made at eScrip merchants will be given to Montevideo.

Q: How does eScrip work?

A: Participating merchants contribute each time your families make a purchase using their registered cards. There are no receipts to collect, no vouchers or certificates to buy, no hassles for you and every purchase counts.

Q: Does eScrip affect my Club Card Savings, airline miles or reward points?

A: Absolutely not! eScrip is separate from the credit card and loyalty programs. Merchants donate a portion of your purchases to the school through the eScrip program. eScrip takes a small processing fee.

Q: What if I can't find my Safeway Club Card?

A: Please call 1-877-723-3929. It only takes a minute!

Q: What cards can I register?

A: Grocery loyalty cards, Visa, MasterCard, American Express, Discover, and debit/ATM cards.

Q: Is my information secure with eScrip?

A: eScrip has contracted with a national processor who provides state-of-the-art technology for administration of the eScrip program. ESI's process involves flagging these card numbers for program use. The participating retailers provide the processor with the purchase information so a donation amount can be applied. ESI's systems have met the strict requirements of the participating merchants in the area of security, safety and confidentiality. For additional information read our privacy policy.

Q: What about privacy and security of my personal information?

A: ESI places a tremendous value on the relationships it has with eScrip program participants across the country. Safeguarding personal information is one of our highest commitments. ESI will not license, sell, exchange or distribute any specific information about its eScrip participants to any third parties who are not directly involved in the eScrip program. By participating in the eScrip program, you are authorizing ESI to use information relating to your registered card transactions for the limited purposes of processing rebates to your designated organization and providing cumulative reports to your organization. No purchase details are given to ESI for the eScrip program.

Q: How can I help increase donations to Montevideo Elementary?

A: Register your debit/credit cards to ensure contributions for purchases made at the 3000+ participating merchants, sign-up relatives and friends even if they live across the country for Montevideo (group 137684257), do your on-line shopping through the eScrip mall link (donations up to 16% at no additional cost to you), dine at participating eScrip Dining program restaurants and complete survey for additional contributions (donations up to 5%)

Q: Does it matter how I pay for my groceries?

A: No, use the payment option most convenient for you.

Q: What if I do not shop at Safeway?

A: If you do not shop at Safeway, there are thousands of merchants who donate money through eScrip. Some of these eScrip merchants are Big O Tires, Draeger's Market, Lunardi's, and San Francisco Chronicle. It's easy, costs you nothing and is safe to register your credit cards.

Q: What is the impact of our participation?

A: Montevideo has been participating in the eScrip program for several years. eScrip contributed almost \$3,000.00 last calendar year.
